

CSOC PARTNERS HELP NEW JERSEY YOUTH BE SAFE * HEALTHY * CONNECTED

CARE MANAGEMENT ORGANIZATION

Manage * Stabilize * Link

Through the development of a Child and Family Team (CFT) and the use of the Wraparound Model, each youth and family is supported by a team of family members, professionals and community residents, identified by the family and organized by the Care Manager.

MOBILE RESPONSE

**De-escalate * Assess
Crisis Planning & Linking**

Mobile Response and Stabilization Services are available 24/7, to help children and youth who are experiencing emotional or behavioral crises. The services are designed to defuse an immediate crisis, keep children and their families safe, and maintain the children in their own homes or current living situation in the community.

FAMILY SUPPORT ORGANIZATION

Support * Educate * Advocate

Family Support Organizations (FSO) provide direct family-to-family peer support, education, advocacy, and other supports, to help them navigate the System of Care, school system, DCP&P, and the legal system, and most importantly are there to listen and provide moral support.

INTENSIVE IN-HOME SERVICES

**Individualized * Solution-Focused
Family-Centered**

Intensive In-Community Service (IIC) address emotional and behavioral challenges of youth with the goal of stabilizing and supporting the youth and family, and to deter more intensive interventions.

OUT OF HOME TREATMENT

**Intensive * Therapeutically Supportive
* Short Term**

They're residential treatment programs that provide 24/7 care and treatment for children, youth, and young adults who require the highest intensity of services.
